Dear Dr. Tarazi,

Thank you so much for hosting our Muskingum University Pre-service teachers on Oct. 17 and 18, 2016. They appreciated the opportunity to observe in a unique urban school. All the pre-service teachers felt that they had learned many ideas, methods, and possibilities for ensuring that all students learn. They were impressed by the talent of your students and staff. The teachers in your school were welcoming and helpful for the new teachers. Our college appreciates the partnership that we have formed with your school.

Every one of our students said that they had experienced something they never would have been able to see in our near-by communities. Thank you and your staff, again, for helping these students become better future teachers. Our trip was very successful.

Sincerely,

Dr. Joy Cowdery
