

INTERNATIONAL ACADEMY OF COLUMBUS
(IAC)
2010-2011
Annual Report

School Designation:
Continuous Improvement!

GENERAL SCHOOL INFORMATION

Curriculum and Programs. This year was IAC's 9th year in operation. Our comprehensive curriculum is aligned with the Ohio Academic Standards. Because of the high number of Limited English Proficiency (LEP) students, we offer a strong English as a Second Language (ESL) program and Math and Reading intervention sessions. We also have a number of bilingual instructional assistants who assist LEP students by translating in the classroom, if needed, and by tutoring students individually or in small groups outside of the classroom. A unique aspect of our curriculum is an Arabic language program for all grades and we have plans to add French and Spanish enrichment classes in the future.

Instruction and Attendance Rate. This academic year consisted of 168 instructional days, 924 instructional hours. Our average classroom size is about 20. Many of our students get additional personal attention by working with instructional assistants. This year, our attendance rate was 94.9%, which exceeds both the state standard of 93% and the state attendance rate of 94.5%.

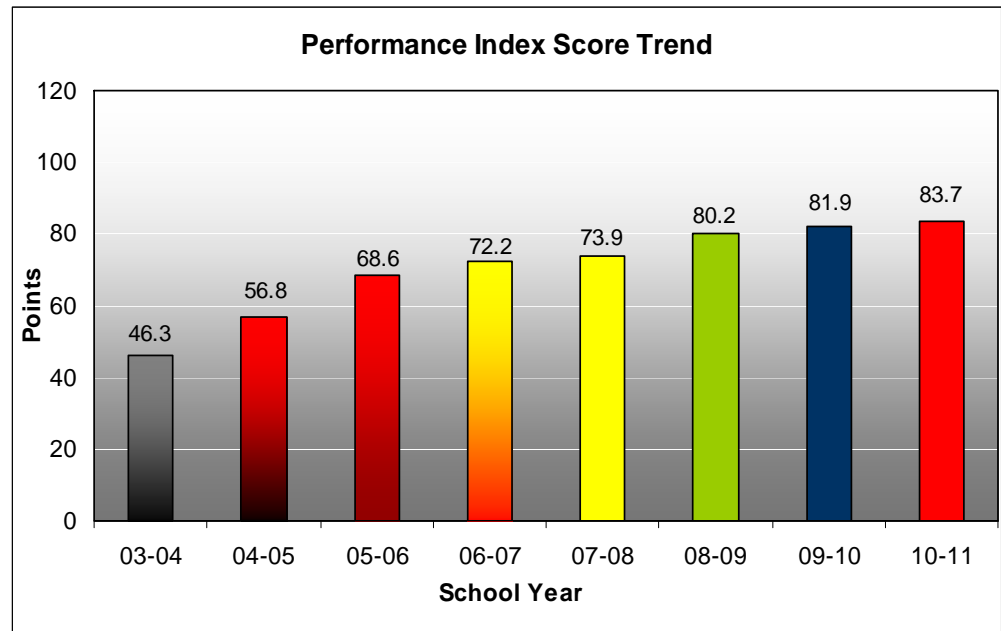

Students. IAC's student population is largely at-risk academically (two to three years behind). This year we had an average enrollment of 199 students, of whom 74.2% were black/African-American and 25.1% were white. 97.7% of our students came from economically disadvantaged families and 75.1% were classified as LEP students (20 LEP students were excluded from Accountability Calculations) according to the Ohio Test of English Language Acquisition (OTELA) test results.

Staff. To serve our students' unique needs, we have highly-qualified classroom teachers, specialized Arabic language teachers, certified ESL teachers, special education teachers, intervention specialists, and bilingual instructional assistants. All core academic subjects were taught by properly certified/licensed teachers who are highly qualified.

STUDENTS CONTINUE TO MAKE GAINS

IAC students have made great gains in academic achievement over the past seven years. We are happy to report that the average of all students' scores on state tests (Performance Index) has increased by approximately 38 points, from 46.3 to 83.7 in seven years. This year IAC's Performance Index increased by 2 points. The Performance Index Score reflects the achievement of every tested student. The score is a weighted average of all tested subjects in grades 3, 4, 5, 6, 7, and 8. The most weight is given to the advanced students, with the weights decreasing for each performance level. This creates a scale of 0 to 120 points with 100 being the goal. The Performance Index Score, over time, shows trends in school achievement.

VALUE-ADDED MEASURE

Achievement scores represent students' performance at a point in time (Any specific year's test results are examples of achievement scores). In contrast, school value-added rating represents the progress the school has made with its students since last year. A score of "Above" indicates greater than one year of progress has been achieved; "Met" indicates one year of progress has been achieved; "Below" indicates less than one year of progress has been achieved. IAC has met the expected growth in its value added rating for four consecutive years.

SCHOOL RATING

The International Academy of Columbus is rated "Continuous Improvement"

ANNUAL YEARLY PROGRESS

Under the accountability provisions in the Federal No Child Left Behind Act, all public schools are evaluated for Adequate Yearly Progress (AYP). IAC is required to meet AYP criteria on three measures: reading, mathematics, and attendance rate. This year IAC met all federal proficiency goals for the fourth year in a row.

ENGLISH LANGUAGE DEVELOPMENT ASSESSMENT TESTS

The Ohio Test of English Language Acquisition (OTELA) is the assessment used for testing English language proficiency in Ohio.

The OTELA is a simplified and reliable English Language Assessment which is used to help identify LEP (Limited English Proficient) students who may need ESL (English as a Second Language) classes.

There are scores for listening, speaking, reading, and writing. The Composite score shows the student's overall English proficiency level: Level 5, Full English Proficiency (FEP), is the ideal level for academic achievement. Levels 4 through 1 are classified as Limited English Proficiency (LEP). Students in Levels 1 and 2 need extra help in English or ESL classes.

This year, for grade band 6-8, 0% of the tested students scored in level 5, 40% in level 4, 36% in level 3, 14% in level 2 and 10% in level 1.

This year, for grade band 3-5, 12% of the tested students scored in level 5, 39% in level 4, 20% in level 3, 18% in level 2 and 10% in level 1.

This year, for grade band 1-2, 30% of the tested students scored in level 5, 35% in level 4, 19% in level 3, 9% in level 2 and 7% in level 1.

This year, for grade band Kg, 43% of the tested students scored in level 5, 24% in level 4, 14% in level 3, 19% in level 2 and 0% in level 1.

This shows that 44% (compared to 45% of the year before) of all tested students scored in Levels 1-3 and are considered LEP students.

OHIO ACHIEVEMENT TESTS

The State of Ohio requires all schools to administer Ohio Achievement Tests to students in grades 3-8. These tests measure the basic skills of all Ohio students. Our school's academic achievement can then be compared to all other public schools in Ohio. The tests measure students against a standardized proficiency level for their grade. The state's goal is that at least 75% of the students should score at or above that standardized proficiency level. IAC administered the required Achievement Tests in May of 2011. The accompanying charts show the percentage of IAC students scoring at or above proficiency level compared with previous years.

FINANCIAL OVERVIEW

This fiscal year FY11 ended with a surplus of \$124,059. This surplus is added to the school reserve to face any future financial problems and to be used for future school expansion.

Other Income	\$23,971
Food Program	105,237
Federal Programs	433,930
Federal Programs/Receivable	157,637
School Foundation	1,267,861
Total Income	\$1,988,636

Utilities	45,677
Maintenance	42,261
Supplies	35,977
Other	96,870
Purchased Services	110,984
Food	107,762
Rent	218,069
Benefits	258,067
Salaries	948,910
Total Expense	\$ 1,864,577

PARENT/TEACHER SATISFACTION

Year after year, more than 90% of our students return to IAC. Almost all of our teachers came back.

During parent conferences many parents show up and participate in the education of their children.

Our Average Daily Student Enrollement was 199, up 10 from the year before, and most of our new students came as referrals from existing or old parents.

We have small classroom sizes (20 on average), a physically and psychologically safe environment, and dedicated teachers and support staff who work tirelessly to provide our students with the education they need to be successful in the future.

We strive to forge a strong home-school connection with our students' families. We know and have very good relationships with our parents. Parents have helped us improve the behavior of our students which led to improving academic achievement and overall school environment. The plans for the next academic school year is to perform home visits to the families of our children

QUALITY EDUCATION

FOR EVERY STUDENT

International Academy of Columbus

OUR SCHOOL'S Mission

The mission of the International Academy of Columbus (IAC) is to provide high quality, globally conscious, and competency based education for grades Kindergarten to 8, in partnership with parents and the community. IAC will meet the needs of the increasingly diverse student population of Central Ohio, including students who are challenged by Limited English Proficiency and students who come from educationally interrupted and economically disadvantaged backgrounds. IAC will strive to provide a physically and psychologically safe environment for all students that encourages self-discovery and development.

School Board of Education

Dr. Hazem Gheith (President)
Ms. Marcell Anthony
Dr. Souzan El-Kest
Mr. Abdoul Shmohamed
Mr. Abukar Osman

I want to personally thank my teachers, support staff and families who worked hard every day to provide our students

with the attention and quality education they deserve. As a result of their efforts, our students continue to make significant progress year after year.

OUR SCHOOL'S Successes

The average of all students' scores on state tests has increased about 38 points, from 46.3 to 83.7 in Seven years.

In the value-added measure IAC has met this year the expected growth in its value-added rating for the fourth year in a row.

This year IAC met all federal proficiency goals (AYP): reading, mathematics, and attendance rate.

OUR SCHOOL'S CHALLENGES

Our students continue to be Challenged by a variety of academic, economic, and cultural issues.

No one can deny the huge impact

that poverty can have on student achievement. But when poverty is combined with an English language deficiency, the negative impact on student achievement becomes tremendous.

OUR SCHOOL'S FUTURE

As our families continue to combat poverty, the school continues to combat the language deficiency. The school will provide all the resources available to assure high quality education in a safe environment to all students in addition to English as a Second Language (ESL) classes to all of our Limited English Proficient (LEP) students.

I strongly believe that all of our students, when given the attention and the tools they need, will succeed in academics and in life.

OUR SCHOOL'S SPONSOR

Finally, I would like to thank Ms. Peggy Young and Dr. Jack Conrado from Buckeye Community Hope Foundation, the school Sponsor, for their continued assistance.

Dr. Mouhamed N. Tarazi
School Director.
